ICI Pakistan wins MAP Corporate Excellence Award

Karachi, June 05, 2013:

ICI Pakistan Limited clinched the '**Best Sustainability Report**' award at the 2012 ACCA-WWF Pakistan Environmental Reporting Awards 2011 held in Islamabad.

This is the second year in a row that the Company has clinched this prestigious award beating 89 local and international organizations competing for the award. Six companies were short-listed and ICI Pakistan's Sustainability report was judged as the top report.

This award is a testimony of the Company's commitment to sustainable operations and a tribute to the dedication and contribution of its employees.
